

# **CURRICULUM VITAE**

## **HERBERT P. KNAUF, III, M.D.**

**PERSONAL**      Date of Birth      August 28, 1966  
                    Birthplace        Ft. Lauderdale, Florida

### **EDUCATION**

1988 – 1992      Doctor of Medicine  
                            University of Florida College of Medicine  
                            Gainesville, FL

1984 – 1987      Bachelor of Science in Biology  
                            University of Miami  
                            Coral Gables, FL

### **POST-GRADUATE MEDICAL EDUCATION**

1996 – 1997      Fellowship  
                            Cornea, External Disease, and Keratorefractive Surgery  
                            University of South Florida  
                            Tampa, FL

1993 – 1996      Residency  
                            Ophthalmology  
                            University of Texas  
                            Southwestern Medical Center  
                            Dallas, TX

1992 – 1993      Categorical Internship  
                            Internal Medicine  
                            Parkland Memorial Hospital, Univ. of Texas  
                            Southwestern Medical Center  
                            Dallas, TX

### **LICENSURE**

1997 – 1/31/2011      Florida ME-0072132  
1997 – 12/31/2011      DEA BK5213741

### **CERTIFICATION**

1993                      Diplomate of the National Board of Medical Examiners

1998                      Diplomate of the American Board of Ophthalmology

1/15/2007              LOCS III (Lens Opacities Classification System,  
                                    Version III)  
                                    Harvard Medical School Center for Ophthalmic Research

**PROFESSIONAL MEMBERSHIPS**

American Society of Cataract and Refractive Surgery  
American Academy of Ophthalmology  
Florida Society of Ophthalmology  
Tampa Bay Ophthalmological Society

**HONORS AND AWARDS**

University of Florida College of Medicine  
Graduation with Honors, 1992  
Samuel D. Harris Award for Ophthalmology, 1992  
Alpha Omega Alpha Honor Medical Society, 1991 (Jr.)  
Wheat Scholarship: 1990-1992

University of Miami  
Graduation Cum Laude with General Honors, 1987  
Phi Beta Kappa, 1987  
Alpha Epsilon Delta Premedical Honor Society: 1986-1987  
Henry King Stanford Scholarship: 1984-1987  
Florida Honors Scholarship: 1984 – 1987  
Florida Academic Scholarship: 1984 -1987

**PROFESSIONAL EXPERIENCE**

1997 – Present    Eye Site of Tampa Bay, P.A.  
601 Belcher Road South  
Clearwater, FL 33764  
Cornea and External Disease,  
Refractive Surgery  
General Ophthalmology

1997 – Present    Clinical Assistant Professor  
Department of Ophthalmology  
University of South Florida School of Medicine

1997 – Present    Clinical Investigator  
Clinical Research of West Florida, Inc.  
2147 N.E. Coachman Road  
Clearwater, FL 33765

3/14-15, 1997    Karatomileusis Study Group  
Co-host of the Second United States LASIK Course  
And Wet Lab  
Clearwater, FL

5/1998 – Present    Medical Safety Monitor  
National Institutes of Health/National Eye Institute Study  
Excimer laser photo therapeutic keratectomy using  
Biomask versus methylcellulose, a randomized controlled  
clinical trial.

## HOSPITAL AFFILIATIONS

Morton Plant Hospital  
 Belleair Surgery Center (Medical Exec. Committee)  
 Trinity Surgery Center (Medical Exec. Committee)

## PUBLICATIONS

- 1997 Knauf, HP; Fouraker, BD; Rowsey, JJ: Next generation Excimer and solid state refractive lasers. In Abbott RL, Hwang DG, eds: Refractive surgery. *Ophthalmology Clinics of North America* 10(4): 543-553, 1997.
- 1997 Knauf, HP; Rowsey, JJ; Margo, CE: Cystic epithelial downgrowth following clear-corneal cataract extraction. *Archives of Ophthalmology* 115: 668-669, 1997.
- 1996 Knauf, HP; Silvany, R; Southern, PM; Risser, R; Wilson, SE: Susceptibility of corneal and conjunctival pathogens to ciprofloxacin. *Cornea* 15 (1): 66-71, 1996.

## ABSTRACTS AND PRESENTATIONS

- 1997 Knauf, HP; Stevens, SX; Rowsey, JJ; Fouraker, BD; Sanchez-Thorin, JC; Bowyer, BL: Biomask-assisted photo therapeutic keratectomy. *Investigative Ophthalmology and Visual Sciences* 38(4); 456, 1997. Association for Research in Vision and Ophthalmology (ARVO) Paper presentation, Cornea section; Ft. Lauderdale, FL.
- 1995 Knauf, HP; Southern, PM; Wilson, SE: Comparison of susceptibilities to ciprofloxacin, ofloxacin, and norfloxacin among ocular pathogens. American Academy of Ophthalmology Poster presentation, Atlanta, GA.
- 1994 Knauf, HP; He, Y-G; Weng, J; Wilson, SE; Fuchs D: Dystrophy endothelial cell strains generated through the Expression of E6/E7 coding oncogenes. *Investigative Ophthalmology and Visual Sciences* 35(4); 1748, 1994. Castroviejo Cornea Society annual meeting at American Academy of Ophthalmology, San Francisco, CA, October 1994.  
 ARVO Paper presentation, Cornea section, Sarasota, FL May 1994.

**RESEARCH EXPERIENCE**

1997 – Present	Investigator Clinical Research of West Florida, Inc. 2147 NE Coachman Road Clearwater, FL 33765
1996	Principal Investigator New enrolling studies: Glaucoma – Trusopt-072, Phase III Glaucoma – Trusopt-063, Phase III
1997	Principal Investigator New enrolling studies: Glaucoma – Santin, Phase III Pterygium, Phase III
2000	Sub-Investigator New enrolling studies: TAK-637-302 – Adult Depression, Phase II
2001	Principal Investigator New enrolling studies: IN5365 – Dry Eye, Phase III
2001	Sub-Investigator New enrolling studies: TAK – 637-305 – Adult Depression, Open Label, Phase II Ofloxacin – Bacterial Conjunctivitis, Phase III
2002	Principal Investigator New enrolling studies: Gatifloxacin – Acute Conjunctivitis, Phase III
2003	Principal Investigator New enrolling studies: Cevimeline – Dry Eye Post LASIK Surgery, Phase III
2007	Sub-Investigator New enrolling studies: Mometasone – COPD (2 exacerbations)
2009	Principal Investigator New enrolling studies: Travatan-Z vs Xalatan Ophthalmic Solutions, Phase III
